

## AMUSEMENTS

## COLISEUM.

Walter Finnegan Reed is coming back. He'll be here tonight at the Coliseum, and so will Mrs. Reed.

Of course everyone remembers Reed. He was here with the Reed-Arbutnot company when that company was filling an engagement at the Grand last spring. Since then Walter has deserted musical comedy for straight vaudeville. He says there's more money in it.

Probably there is more money in it for Reed, as he and Mrs. Reed have certainly made good out on the coast. Their services are in demand all over the country and they are one of the highest priced teams ever booked for the Coliseum.

Reed was just about the whole show at the Grand. Mrs. Reed is almost as

clever as he is and they do a song and dance act that is said to be simply great. Mr. Reed appears as an Irishman, and he is probably the best actor of Irish parts ever seen here in a stock company.

The act of Carberry & Williams, another to open tonight at the Coliseum, is almost a classic in Europe, where this clever team has played for several years. Another European act is that of Billy Sharrott, an Englishman who sings and otherwise entertains the public. He has been all over the world and during all the years he has been upon the stage he has been constantly improving his act. He is funny and he is a good singer.

Manager Reeves says that he believes this week's bill is going to be the best he has presented for some time. It is his constant aim to improve the character of the acts he brings from the coast, but it is seldom he looks for one week three such highly recommended attractions as Reed & Reed, Carberry & Williams and Billy Sharrott.

## Wonderful Remedy

That's What is Said of Stomach Prescription Guaranteed by Lovett Drug Company.

Stephen Waite of Lansing, Michigan, writes: "For over three years I suffered much pain and annoyance from stomach disease. I had no help from my digestive organs apparently, and my food would stay in my stomach and ferment, causing gas; there was also a dizzy headache. I doctored and used every remedy that I heard of, but it remained for MI-O-NA to cure me entirely. Before I had used three boxes, my appetite and digestive organs became all right. It is a wonderful remedy."

MI-O-NA stomach tablets are small and easy to swallow. They stop the most painful stomach distress in five minutes. They drive out sourness and gas and make the stomach clean and sweet.

They are sold by the Lovett Drug Co. under a positive guarantee to cure any case of indigestion, or money back. They put vigor and vitality into people run down by indigestion. Sold by the Lovett Drug Co. and leading druggists everywhere at 25 cents a large box.

## ARLINGTON'S ASSAILANTS GOT OFF EASILY

The Prosecuting Witness Was Not an Enlightening Witness.

The assailants of Robert Arlington, employed as cook at the Depot cafe Francisco Parra, Leonardo Cervantes, Manuel Contreras and Vicente Figueroa, got off more lightly in Justice Johnstone's court yesterday than they expected. Though the case seemed a very serious one at the time of the assault and was no less serious the next day when Arlington hobbled into court, beaten beyond recognition, it turned out that there was little evidence of the guilt of the men, though that they were guilty there was no moral doubt.

Arlington made a bad witness. He said Cervantes could not have struck him for he was lying on the ground drunk. The assailant could not have been Parra, according to Arlington, he was standing five feet away when the blow was struck. Figueroa and Contreras were nearer, but Arlington could not say that either of them hit him. He was struck on both sides of the head at the same time.

It was also brought out that Arlington was where he had no business to be. When he first saw them, Cervantes was lying drunk in front of the door of the cafe. He asked the companions of Cervantes to move him; they demurred at first, but when he produced a revolver, they did so and took him to the next block. Then Arlington committed an error. He followed with the gun in his hand and there was testimony that it was discharged once. When he came up to the men, one of them remarked that Cervantes was covered with blood and Arlington approached and bent over to see. When he next took cognizance of things he was covered with blood.

On this showing the assailants were fined \$10 each. All of them paid except Cervantes, who is doing time in the county jail.

"I had been troubled with constipation for two years and tried all of the best physicians in Bristol, Tenn., and they could do nothing for me," writes Mrs. Thos. E. Williams, Middleboro, Ky. "Two packages of Chamberlain's Stomach and Liver Tablets cured me." For sale by all dealers.

## THE SUPPOSED BURGLAR OF STODDARD RESIDENCE

A Man of Many Aliases Coming to Phoenix Today.

Deputy Sheriff Billy Woolf will probably return from California this morning with H. F. Thomas, alias Thompson, alias Hennessy, who is suspected of being the man who burglarized the Stoddard residence.

A letter was received at the office of the Sheriff on Sunday from Chief of Police Walter A. Shay saying that he had arrested a man on whom were found four pieces of jewelry which answered the description of a part of the jewelry stolen from the Stoddard residence. There was also found in his possession a pocketbook on which was written in India ink the name of "Nina E. Walker."

These finds with others led the chief of police to believe that Thomas had the fruits of several robberies on his person. Deputy Sheriff Woolf left the same night for San Bernardino, after it had been learned that Thomas would waive extradition.

If he is the Stoddard burglar there will be little trouble about his identification for at least three persons saw that burglar.

## ORANGE TREE CASES SETTLED OUT OF COURT

Suits of J. H. Fleming Against Horticultural Commission to Be Dismissed.

The two cases of J. H. Fleming against the Arizona Horticultural commission and Dr. A. W. Morrill, the entomologist of the commission, in which damages were sought for the destruction of a lot of orange trees belonging to the plaintiff last spring, were yesterday set for trial today.

But late in the afternoon both cases were settled out of court, a compromise having been effected. The terms of the compromise have not been made public.

The case against Dr. Morrill was brought first and damages in the sum of \$1,000 was asked. Later the orchard of the plaintiff was visited in force and a large number of growing trees were destroyed. This time suit was brought against the commission for \$10,000.

The case of W. C. Rinard against the Continental Mining company was tried yesterday and judgment was found for the plaintiff. In the case of Anna Crellin against E. A. Crellin a decree of divorce was given.

## Where to Buy Nationally Advertised Goods in Phoenix

THIS PAGE is for the information of those who prefer to buy advertised goods, knowing them invariably to be the best. It is a list showing which stores in Phoenix carry the articles nationally advertised in the newspapers, magazines, trade publications, street cars, billboards, etc. Articles that the manufacturer himself knows to be so good that he invests his reputation and thousands—and in many instances hundreds of thousands—of dollars to tell you about. This page will appear twice a week hereafter. It would be wise, however, to clip it for reference. When you read the magazines compare this list, and note the large number of nationally advertised articles, manufactured in all parts of the world, that can be bought right here in this modern, progressive city of ours. It is well worth while.
